

CONTACT LENS EXAM / EVALUATION INFORMATION

The Doctor will recommend the type of contact lenses which suits your vision correction needs and lifestyle.

Listed below are the customary fees for different contact lens exam/evaluations.

This **fee** will be in **ADDITION** to the eye exam fee of \$80.00.

- Daily wear soft lens \$59
- Extended wear soft lens \$59
- Disposable or planned replacement \$59
- Rigid Gas Permeable-Single vision \$90
- Toric (Astigmatism) \$90
- Bifocal \$120

Specialty fits:

- Aphakia \$95 (one eye); \$120 (both eyes)
- Therapeutic \$80 Hybrid: Post Surgical \$200
- Keratoconus \$250 Hybrid: Duette non-Keratoconus \$120

The fee includes: one (1) follow up visit for **Daily wear, Extended Wear Soft Lens, Disposable, and Planned replacement within 60 days of initial exam.** Should additional visits be needed, the fee will be \$20 per visit.

The fee includes: up to three (3) follow up visits for **Rigid Gas Permeable, Toric, Bifocal, and Specialty fits.** Should additional visits be needed, the fee will be \$20 per visit.

The fee also includes non-custom diagnostic lenses when necessary.

Upon the doctors discretion, follow up care is **MANDATORY** to complete the exam process and establish a valid contact lens prescription.

For specialty lenses, most manufacturers provide a 90 day warranty.

NO REFUNDS WILL BE EXTENDED FOR PROFESSIONAL SERVICES.

YOUR RESPONSIBILITY:

It is important to return for a follow up examination, otherwise you may jeopardize the health of your eyes and will not finalize the prescription. As per the doctors discretion, the contact lens prescription may be valid for one (1) year only, and must be current to order or purchase new product, or before prescriptions are released.
